

Bure Low Chair & Footstool

Designed by Steven Owens

The Malvern Sofa is a generous proportioned traditional sofa which complements any interior. The Malvern sofa has a graceful sweeping curved back, perfect for any open plan living space. Solid timber frames are upholstered to the highest specification with soft feather & foam cushions for exceptional comfort. The turned legs are in solid oak and can be either natural or dark stained. Our standard fabric is a soft textured velvet, chosen for its hard-wearing properties and available in 46 different colours. Customers own material is an option and you will need 14 linear meters for a plain fabric (patterned or directional fabric may require more).

Size: 2400 x 1000 x 890h

Includes 4no loose cushions
